Dear city and county leaders,

You are receiving this letter because your city or county has at least one outstanding rejected CRF reimbursement claim that may still be approved if changes or edits are made.

Please immediately review the email that was sent by the *CARES FORWARD* Team regarding the rejected request(s). This email contains rejection notes to help you make the necessary edits to resubmit your request. If you have any questions regarding the rejection notes, please respond to the original email.

The deadline to submit edits or changes to your rejected request(s) is Friday, Nov. 20 at 5 p.m. If the necessary edits or changes are not submitted prior to this time, the request will be denied.

As a reminder, the portal to submit reimbursement requests closed Nov. 6 at 11:59 p.m. For any outstanding claim to be considered for approval, proof of payment on or before that date must be provided.

Thank you,
